Hotel Tower Restaurant (Open to non-residents)

Our Head Chef David Thompson has gathered a vibrant & talented brigade together to produce food for our rosette awarded restaurant. The main emphasis is to cook creative yet wholesome food, using seasonal fresh local produce for which Wales and its borderlands are renowned. The hotel has the sporting rights to the estate and in season much of the game shot finds its way to the kitchen. Don't expect formality - just good service and a friendly approach. During the summer months enjoy your lunch (Mon – Sat) alfresco style on our dining terrace over-looking the lake. Our wine list has over 100 listings, ranging from affordable drinking, to fine wines for the connoisseur.
