Lake Vyrnwy Hotel & Spa is a highly rated Country House Hotel, famous for its exceptional view over-looking the Vyrnwy reservoir and its fairytale tower.

We are located within the 24,000 acre Vyrnwy Nature reserve that provides endless opportunities for outdoor activities, including clay shooting, fly fishing, tennis, bird watching & walking. Why not pamper yourself with a visit to our luxury Spa & Thermal Suite with its comprehensive range of therapies and treatments from around the world. The surrounding estate provides our kitchens with local ingredients including game, lamb and fish. Our restaurant has a reputation for excellent cuisine and has been awarded 1 rosette of distinction from the AA.

Originally built in 1860, this Victorian hotel has 52 individually decorated bedrooms; some with special features such as four posters, balconies and lake views. You can enjoy cosy lounges with lake views, together with a decadent afternoon tea "that is not to be missed". The atmosphere is relaxing and welcoming – the perfect antidote to modern day life. Dogs are welcome - a £10.00 charge will apply. Rooms are available from £125.00 per night B&B double occupancy.

We are less than an hour's drive from Shrewsbury and fewer than two hours from Birmingham; and have our own helipad should you wish to fly in.
Awards: AA 4 star, Visit Wales 4 star and The Good Spa Guide 4 bubbles
